### **The Goodness of God**

written by Richard Murray

Oh the goodness of God makes all things new, and leads me in righteousness,  
Oh the goodness of God gives me a higher view, and leads me in righteousness,  
Oh the goodness of God is wisdom from above, and leads me righteousness,  
Oh the goodness of faith is working by love, and leads me in righteousness;

And leads me in holiness, And leads me in happiness, And leads me in blessedness.

Oh the goodness of God restoreth my soul, and leads me in righteousness,  
Oh the goodness of God's the greatest story ever told, and leads me in righteousness,  
Oh the goodness of God convinces me of sin, and leads me in righteousness,  
Oh the goodness of God sticks closer than a friend, and leads me in righteousness;

And leads me in holiness, And leads me in happiness, And leads me in blessedness.

Oh the goodness of God gives me Holy Ghost power, and leads me in righteousness,  
Oh the goodness of God is my ever strong tower, and leads me in righteousness,  
Oh the goodness of God is the Lord Jesus Christ, and leads me in righteousness'  
Oh the goodness of God is my pearl of great price, and leads me in righteousness;

And leads me in holiness, And leads me in happiness, And leads me in blessedness.

# **The Happy Warrior**

written by Richard Murray

The joy of the Lord is my strength.  
The joy of the Lord is my strength.  
God will not falter. God will not fail.  
El Shaddai will cause me to prevail.

Rejoice always and again.  
Rejoice always and again.  
Satan's been defeated, at Christ's right hand we are seated.  
Rejoice always and again.

If you want joy, you must ask.  
If you want joy, you must ask.  
But not with any doubt, God's goodness you must shout.  
If you want joy, you must ask.

The answer of my mouth brings me joy.  
The answer of my mouth brings me joy.  
Pleasures evermore are all we have in store.  
The answer of my mouth brings me joy.

My cheerful heart gives me a happy face.  
My cheerful heart gives me a happy face.  
Medicine to heal, no more sadness to reveal,  
My cheerful heart gives me a happy face.

The high praise of God in my mouth,  
The high praise of God in my mouth;  
The Word of God I sing, deliverance to bring;  
The high praise of God in my mouth

# **To Will and To Do**

written by Richard Murray

To will and to do  
To will and to do  
The Lord works in me  
To will and to do.

To will and to do  
To will and to do  
It's all about You, Lord  
To will and to do.

So lift up your jawbone, and lift it up high.  
Lift up your jawbone high to the sky.  
Lift up your jawbone, and lift it up high.  
Slay all your wicked thoughts hip and thigh.  
Slay all your wicked thoughts hip and thigh.

So cleave to the Lord with all your might.  
Cleave to the Lord every day and every night.  
Cleave to the Lord and only to Him;  
Cleave to the Lord and the iron will swim.  
Cleave to the Lord and the iron will swim.

So let the Word of God dwell richly in your heart.  
Let the Word of God dwell richly in your heart.  
Devils will go and lust will flee.  
Pride is vanquished as you are set free.  
Pride is vanquished as you are set free.

So gird up your loins and think on these things.  
You have been strengthened by the King of Kings.  
It's all about God and not about men.  
Remade in His image we are all born again.  
Remade in His image we are all born again.

It's all about You, Lord.  
It's all about You.  
May all these verses ring strong and ring true. (repeat)

| There's only one channel on my screen. | There's only one father from above.          |
| There's only one face in my dreams.    | There's only one perfect way of love.        |

## **ARMAGEDDON NOW!**

Four deadly horsemen now attack you, tack you, tack you  
Strife and sickness want to hack you, hack you, hack you  
Death and darkness try to crack you, crack you, crack you  
But there's a hero who will back you, back you, back you—Armageddon Now!  
Megiddo's battlefield around us, round us, round us  
Principalities confound us, found us, found us  
Devil dogs seek to hound us, hound us, hound us  
But the shield of God surrounds us, rounds us, rounds us—Armageddon Now!

(Chorus) Armageddon now, now, now  
Armageddon now, now, now  
Armageddon now, now, now  
**ARMAGEDDON NOW!**

The will to fight begins today, d-ay, d-ay  
In your hand your sword must stay, st-ay, st-ay  
So throw your scabbard far away, w-ay, w-ay  
Enter this fight without delay, l-ay, l-ay—Armageddon Now!  
So rouse up all the mighty m-en, m-en, m-en  
Strong warrior poets born again, g-en, g-en  
Who will not bow the knee to sin, s-in, s-in  
Let the battle cry begin, g-in, g-in—Armageddon Now!

(Chorus)

Time to stop all the bleedin', bleed-in, bleed-in  
Bind all our wounds up in His healin', heal-in, heal-in  
And send the enemy a-reelin', reel-in, reel-in  
With righteous weapons we are wieldin', wield-in, wield-in—Armageddon Now!  
Time to stop all the cryin', cry-in, cry-in  
Put on the face of a li-on, li-on, li-on  
Set our gut on Zion, Zi-on, Zi-on  
And our spirit will be flyin', fly-in, fly-in—Armageddon Now!

(Chorus)

Never throw in the towel, tow-el, tow-el  
Cleave to the sword and the trowel, trow-el, trow-el  
Listen for the Holy grow-l, grow-l, grow-l  
Lion of Judah's on the prow-l, prow-l, prow-l—Armageddon Now!

(End with Chorus)

## **I MET YOU**

**By Richard K. Murray**

**Walking down a dead end street  
I was lost and lonely in defeat  
Wondering where my life went wrong  
My shattered heart could only sing sad songs**

**Tears of shame ran down my face  
Fear and loathing set my pace  
Misery was all I knew  
But then I met you**

Hallelujah I met you  
Hallelujah I met you

And smiled at me oh so sweet  
You put my trembling hand in yours  
And led me up through heaven's doors**

**You lifted up my chin and winked  
And told me it was time to think  
Of all the times I heard your voice  
Calling me to rejoice**

**But I never got to know your name  
Lust and pride became my shame  
But still your voice did call for me  
You wanted to set me free**

### ***CHORUS***

**Now today I see the truth  
You've always loved me since my youth  
Despite all of my neglect

My reflection I did see  
Of the son of God I'll be**

**PSALM ONE**

**By Richard K. Murray and Michael Smith**

**The eyes of the Lord go to and fro  
Always looking to reward the heart that grows  
In true hunger for His Son who sits by Him  
The very Son who was the one who bore our sins**

***Our leaves will never ever wither  
For we are planted by the river  
Our tree of life will surely sprout  
And all our doubts will be cast out***

**Up and down upon the earth the Lord's eyes roam  
He longs to see new birth in every home  
The ones that call upon His name in heartfelt need  
Will never be ashamed in word, or thought, or deed**

***CHORUS***

**The righteous shall not fall, not fail, nor fear  
The righteous shall stand tall and persevere  
Ungodly counsel they'll not hear, hearken or heed  
The wicked they'll not follow, befriend or need**

**But their delight is in the Word of God at hand  
Day and night God's voice is heard across the land  
But only by the seed of faithful Abraham  
The seed of Christ which dwells in every righteous man**
