

Welcome!

"This then is the message which we have heard of him, and declare unto you, that God is light, and in him is no darkness at all."

1 John 1:5

A. W. Tozer rightly believed that we tend "by a secret law of the soul" to gravitate toward and grow to resemble our mental image of God. Thus, Tozer was convinced that what comes to your mind when you think about God is the most important thing about you. **High thoughts of God bring us into pure worship and a sanctified walk, while low thoughts of God defile our hearts and corrupt our walk.** This website is dedicated to two great truths: God is great and God is good. Greatness and goodness. Goodness and greatness. What makes God great is what makes Him good. What makes God good is also what makes Him great.

What is the key to understanding God's goodness and greatness? **Jesus Christ!** Jesus is the revealed goodness and revealed greatness of God. Jesus is not good and great like God. **Jesus is the actual goodness and greatness of God. The essence and presence of God is only revealed in and through the life of Jesus Christ. This same life now indwells all who receive Jesus as Lord and Savior. Thus, the goodness and greatness of Jesus resides with and in all Christians.**

The core revelation of the website is this - - God didn't create evil, God doesn't use evil, and God won't allow evil. God is good. Only Good. Always Good. His only connection with evil is to disallow it through the Power of the Cross. In fact, God has already disarmed and disallowed every form of evil. Why evil still occurs is due to man's individual and corporate neglect of Jesus' so great a salvation. Jesus Christ is God's perfect cure for evil, a cure which overcomes evil one way and one way only - - with good. Jesus, as God in the flesh, came to reveal the true nature of God as being good, love, light, truth and Spirit. No Old Testament saint saw the perfect goodness of God. Only Jesus accurately reflected, and still reflects, the true nature of God.

"No man hath seen God at any time; the only begotten Son, which is in the bosom of the Father, he hath declared him."

John 1:18

The books, handouts, audio teachings and music on this website are all dedicated to enhancing, empowering and enriching our relationship with the Godhead -- Father, Son and Holy Spirit. It is our hope that every time you visit this site, you will leave strengthened, challenged and stimulated. May God's goodness and greatness become the "big idea" which purifies our hearts to embrace the love of God without any doubt or reservation. Amen!
